# BOSS 354

## INTERIOR & EXTERIOR SEALANT

**BOSS 354 INTERIOR AND EXTERIOR** is a high-quality sealant that provides a long-lasting, permanently flexible seal that can be used for internal and external sealing around window and door frames. BOSS 354 is compatible with most materials used in construction; it exhibits good primer-less adhesion to uPVC, concrete, plaster, brick, stone, masonry, aluminium, glazed tiles, metals, painted surfaces, coated or uncoated wood, some plastics and many porous surfaces.

**BOSS 354 is the ideal choice for paintable, long-lasting sealing for both interior and exterior applications.**

### FEATURES

- Easy to apply and clean
- Durable and ageing-resistant
- Joint movement up to 15%
- Water-based and non-toxic
- Paintable

### APPLICATIONS

- Sealing perimeters of doors and windows
- Filling common connection slots in construction
- Plasterboards, drywall panels
- Flexible sealing in cracks and gaps before painting jobs
