BOSS GP GENERAL PURPOSE

DESCRIPTION
BOSS® GP is a one-part, acetic silicone sealant for general sealing and bonding. It adheres to metal, glass, wood, ceramics and plastics. Cures at room temperature using atmospheric moisture. Forms a permanently flexible and durable silicone rubber.

COLOURS
● Clear ● White ● Black

PACKAGING
Available in 260 ml standard caulking cartridge.

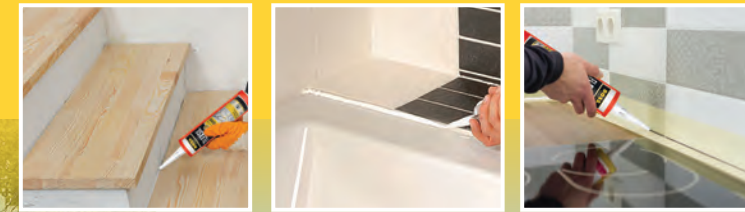

BOSS FLEXSIL PREMIUM GRADE

DESCRIPTION
BOSS® Flexsil is a premium-grade silicone sealant ideal for general sealing and bonding—perfect for glass, metal, plastic, ceramic, & wood surfaces. It's especially suited for sealing glass windows, aluminium joints, air-conditioning systems, and uPVC surfaces.

COLOURS
● Clear ● White ● Black

PACKAGING
Available in 260 ml standard caulking cartridge.

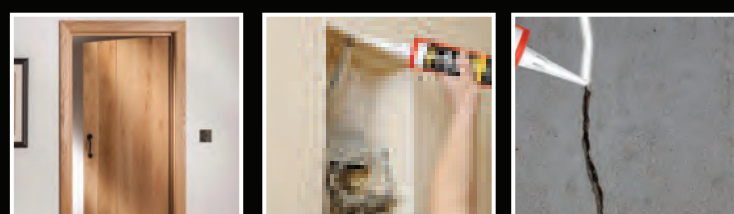

BOSS ACRY SEAL ACRYLIC SEALANT

DESCRIPTION
BOSS® ACRY SEAL is a highly durable, slump-resistant sealant that forms a flexible, resilient bond with all building material surfaces. It cures to produce a flexible seal that is non-yellowing and mildew resistant.

COLOURS
● White

PACKAGING
Available 450 g in standard caulking cartridge.

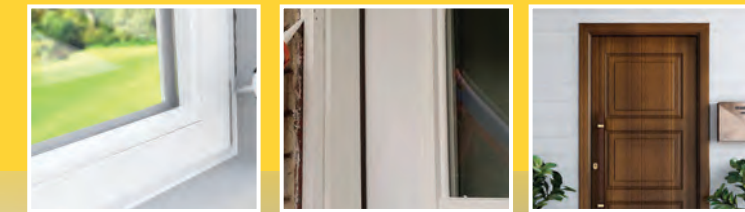

BOSS WINDOW & DOOR SEALANT

DESCRIPTION
BOSS® Window & Door is a high-quality acrylic sealant that forms a tough, flexible, resilient bond to all building material surfaces and is suitable for both interior and exterior applications. It has excellent resistance to water, weathering and moisture and specifically developed for windows & doors perimeter sealing.

COLOURS
● White

PACKAGING
Available in 270 ml standard caulking cartridge.

BOSS UNIVERSAL FOAM PU EXPANDABLE FOAMS

DESCRIPTION
BOSS® Universal Foam is a ready-to-use, triple-expanding polyurethane foam perfect for filling gaps around doors & windows. It expands to seal holes, cracks, & gaps better than standard caulks. With superior insulation & adhesion, it suits all building materials.

COLOURS
● Champagne

PACKAGING
Available in 750 ml aerosol can.

BOSS 383 PLUS CONSTRUCTION ADHESIVE

DESCRIPTION
BOSS® 383+ is a synthetic rubber adhesive designed to eliminate the need for nails in construction fixtures. With excellent adhesion, it's ideal for most building materials including concrete, galvanized metals, aluminium, and various woods.

COLOURS
● Beige

PACKAGING
Available in 300 ml standard caulking cartridge.
